Pacoima
Beautiful

Making an Impact at the Grassroots Level

About:

- The Pacoima Beautiful Project was founded by five mothers in 1996 who lived in the area and wanted a better environment for their children to grow up in.
- Over the last 25+ years the company has diversified into different fields of operations. Such as Arts & Culture, City Planning, Policy making, Youth Organizations.

PROJECTS

RESEDA RIVER LOOP

In collaboration with the Trust for Public Lands Los Angeles Program the goal is to improve environmental health with increasing access to parks and open space

“Beat the Heat”

A mural located at Fernangeles Elementary School created by Kristy Sandoval

Pacoima Wash

In 2012 the city of Pacoima and other local organizations introduced a cison to transform unused land along the Pacoima Wash and transform it into a vibrant safe public outdoor space for the community

Agua University

a four-week environmental justice course filled with daily educational workshops geared towards middle school and high school students living in the Northeast San Fernando Valley.

Panorama Parks

A six week workshop was held by the Panorama Community Parks Planners Program where it focused on creating values, vision and identification of potential sites for community parks within the city of Panorma

Shutdown Whiteman Airport

For 75 years Whiteman Airport has been more detrimental than beneficial to our community. We are calling on the County of LA to prioritize the public safety of Pacoima residents.
